COMMODORE'S CORNER.

Welcome everyone to the last new s letter for the year, wow how this year has flown by.
A very big thank you must go out to all fisherman/women, sponsors, supporters and our committee for their efforts and support of our Pukemanu open last month, with the weather gods against us a great time was still had by all.
While the final figure is not quite sorted yet, between the support of Warwick Anderson, Keith Finlayson, our club funds and auction we expect to be able to present to life flight trust an amount of around $4500 which is a great effort from a small but very generous club.

Last Saturday night some 45 members enjoyed a very relaxing and enjoyable xmas dinner at the Pukemanu, with some good laughs had as well.
Saturday the 13th Jan 2018 will be the 3rd attempt to have the Ngawi club challenge and we will have a gathering with ngawi, fishing or not on Saturday night to celebrate the new year and share a few laughs.
Club weekend this weekend coming with John Dory still the fish to get ($500) for the biggest. I believe the fishing has been good when people can get out with good blue cod numbers around lately.
On behalf of myself, my family and the committee I would like to wish you all a safe and very merry xmas and hope that santa is good to you all.
May you fish well over the xmas break

This is a new model from SIMRAD called "Dip a dipstick" ???

This Photo Above was sent to me without much information or name, apart from a club member was involved?.....any of our members know who it was??

I think the name of the boat is "TARMAC" ???.....

I just had a call from Liz & Gaffer (our weigh masters)
They had a call from the police regarding a Found & handed in wallet, belonging to one of our members.

Fortunately our member had his Puke membership card in his wallet & it was this that gave the "boys in blue" the lead they needed to contact Liz & Gaffer…

I love happy endings……
(unfortunately, Liz would'nt tell me who our member is!)

The Committee wish all our members & their families a wonderful Christmas & safe times on the water.

LET'S REBUILD OUR FISHERY
