Commodore's Corner

Hi everyone hope you are all well.

On the fishing front, it's been pretty quiet lately with rainy easterlies then, southerlies followed by hail and snow. Man, it's been crappy.

Late last month, a team of boats headed out to Castlepoint to challenge the Wairarapa sports fishing club but as you probably guessed, the sea didn't play ball and fishing was cancelled. On the Saturday night, the WSFC put on a nice meal, we drank a few beers and we watched the All Blacks thrash those moaning Wallabies. We all had a good night. Thanks to all of our members that came along and we hope that we can get out again next year.

The Hunting and Fishing Pukemanu Open is fast approaching. Our committee have been flat out collecting prizes and getting everything ready. We just need the sea to be glassy flat. Fingers crossed. Sign in is on the 3rd Nov from 5pm in the marquee. See you all there.

Remember the Christmas dinner is also coming up on the 26th November at the Pukemanu restaurant please come along if you can. It will be a good night.

See you all at the Puke Open.

Cheers **Commodore Heath Riddell**

Two guys are talking about fishing. One says to the other, "I am NEVER going to take my wife fishing with me, ever again!"

"That bad, huh," his friend responded. "She did everything wrong! She talked too much, made the boat rock constantly, tried to stand up in the boat, baited the hook wrong, used the wrong lures, and **WORST** of all she caught more fish than me!"

A little light this month with the fishing and photos! I will look forward to more content being sent in for next month's newsletter!
