Commodore's Corner

Good evening, everyone. Wow, what shocking weather for the end of summer. It's a bit of a worry that this weather might start becoming the norm.

The Big 3 was held recently and all 3 days were fished. The Pukemanu club have always done well at this competition and this one was no exception with our members taking out multiple top species prizes and also spanking the Ngawi club for the gloat trophy. Well done, team.

I would have liked to have been there but the comp was held a week earlier than normal and the wife and I were been down at the Burt Munro challenge in Invercargill racing motorcycles so no fishing for me but have a trip coming up in the next few weeks to Coromandel. Fingers crossed on the weather.

A couple of dates have been booked for the mana fishing charters. The adults charter on Wed 24th of May and the 'take a kid fishing' charter is on the 14th September.

I would also like to put out there that we are looking for some new committee members for next season so let us know if anyone is keen to come on board.

Lastly, March club weekend is on the 11th and 12th. Hope we get a crack at that one and get out on the water.

See ya out there.

Jim got up bright and early one weekend and headed to the local river. He fished all day long but didn't catch a thing. On the way home, he stopped at the fish market.

"I want to buy the three biggest Groper you've got," he said to the owner.

The owner starts to bag up his order when Jim says, "No need for that, just throw them at me."

"Why would I do that?" the owner asked.

"So I can tell my wife that I caught three fish today!"

Welcome to all of our new members to the club!
Keep the photos and stories coming in!
Cheers!
