Commodore's Corner

Hi everyone. Hope you all had a good rest over the Christmas break and got to catch up with family and friends and/or got out for a fish, a hunt or both.

I know the weather was a bit average through the Christmas/New Year period but if you picked the right days, the sea was nice and we got good catches of gurnard, snapper, tarakihi and hapuka. If you're into surf casting, lake ferry and ocean beach has been fishing really good with plenty of snapper to be caught and even king fish off the beach.

January club day was fished with a good number of boats getting out from Ngawi. The sea was good early but fishing was pretty slow. We managed to get a feed of tarakihi, blue cod and some nice size snapper.

The Ngawi Big 3 is coming up on 10th, 11th and 12th of Feb and is always a massive weekend. Good luck to all our Pukemanu members who are entering.

The February club weekend is also on the 11th and 12th. Some club scales will be available to weigh your fish on the Saturday and Sunday at Ngawi, just catch up with our vice commodore Tony Kerr 0274987991 or Club Secretary/ treasurer Owen Riddell 0279298968

Good luck to you all and be safe.

Commodore Heath Riddell

After 35 years of marriage, a husband and wife came for counselling. When asked what the problem was, the wife started listing every problem they had ever had in the years they had been married.

Finally, after allowing this for a sufficient length of time, the therapist got up, embraced and kissed the wife long and passionately as her husband watched - with a raised eyebrow. The woman shut up and quietly sat down as though in a daze.

The therapist turned to the husband and said, "This is what your wife needs at least 3 times a week. Can you do this?"

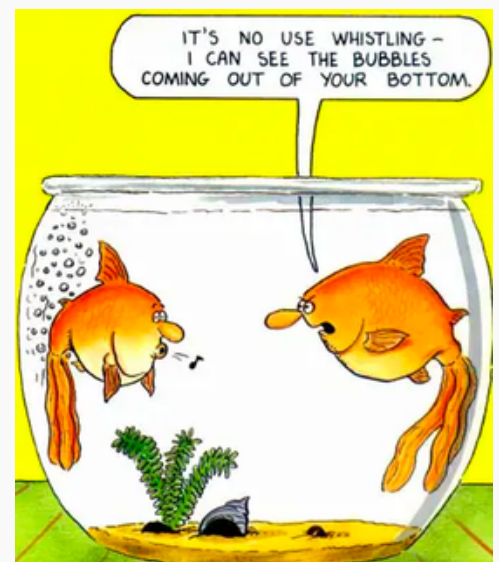

"Well, I can drop her off here on Mondays and Wednesdays, but on Fridays, I fish."

Our huge condolences go to the Buchanan family on the passing of Andrew Buchanan (from Marton). Andrew was a crew member of 'Tillerman' and a Pukemanu member.
